

Join Historyworks and Pilot Theatre this summer as we invite you to celebrate the arrival of the Tour de France in Cambridge with the 'Cycle of Songs' project. Nine songs and sound poems, inspired by the stories of iconic locations along the Cambridge route of the Tour de France, are being commissioned from a wide range of poets and composers. The Cycle of Songs Choir, made up of many local people of all ages, will be sharing their voices and celebrating the city in song at a number of events across Cambridge. **ALL WELCOME!**

Please come along to a special Cycle of Songs Choir rehearsal. They are free and open-to-all. We will be meeting up for three sessions on Wednesday evenings to learn songs specially composed for this project:
