### **Come join us for a song filled celebration to launch the Cambridge Cycle of Songs!**

Come join us for a song filled celebration to launch the Cambridge Cycle of Songs! This project is funded by the Arts Council, commissioned by Cambridge City Council, and devised by the award winning Pilot Theatre and Historyworks to mark the arrival of the Tour de France in Cambridge on 7 July 2014. It will showcase and celebrate the talent and diversity of Cambridge and will include many local people of all ages sharing their voice and celebrating the city in song.

**Sunday 11th May | 2pm - 4pm | Great St Mary's Church | Senate House Hill | Cambridge | CB2 3PQ**

Come see the following performers

**Great St Mary's Choir**  
**ReSound Community Choir**  
**Sur Taal, Indian Music & Dance**  
**Revelation Rock-Gospel Choir**

**Dowsing Sound Collective**  
**Sing! Community Choir**  
**Chela, Cambridge Georgian Choir**  
**Global Harmony**

The event will have a relaxed festival feel with refreshments and a live band afterwards. Families and friends are welcome and there will be an open door to the street to welcome new singers to sign-up for the Cycle of Songs Choir (for those who are not already in a regular choir) – so do bring as many singers, friends and supporters as you can. It will be a great day and we would love for you to be involved!

Nine songs and sound poems are being commissioned from a wide range of composers for the 'Cycle of Songs' project. The songs will be inspired by the stories of iconic locations along the route that the Tour will take in Cambridge. In July a free 'sound walk' app with a short accompanying film will be produced. This new cycle of songs celebrates hidden stories and voices of the city which will leave a lasting digital legacy. Find out more at [cycleofsongs.com](http://cycleofsongs.com)
